## YOUR HOLIDAYS START IN DEN BOSCH.

Your car train departs from a railway station near the city centre of Den Bosch. A unique opportunity to start your holidays while you are fully relaxed. After checking in at the railway station and driving your vehicle onto the train, you may wish to leave your hand luggage in a security locker. In most cases, you will have plenty of time to explore the city of Den Bosch.

Den Bosch has been voted the most hospitable city of 2010. A visit to the beautiful - partly mediaeval - centre with buildings such as the St John Cathedral and the Jheronimus Bosch Art Center is well worthwhile. Stroll the streets of this magnificent historic city or have a drink at one of the many attractive sidewalk cafés. A great way to start your holidays!

## Italy

### ITALY EXPRESS & TUSCANY EXPRESS

Italy always appeals to people's imagination. Brilliant weather, exciting food, sun, sea, beaches, beautiful lakes, outstanding natural beauty and a rich culture - what more could anyone ask for? To travel in a relaxed atmosphere, of course, before waking up in the morning at the heart of one of the most beautiful holiday regions in Italy!

## DESTINATION ALESSANDRIA/ GENUA

### CENTRAL AND NORTHERN ITALY AND THE CÔTE D'AZUR.

In the heart of the Piedmont, just an hour's drive from the coast of Italy to Genoa and two hours from the heart of Tuscany. The Côte d'Azur is reachable within reasonable drive times. The distance from Alessandria station is less than 250 km to Nice. Discover Alessandria & Montferrato!

It's an area to travel through slowly and carefully, where you'll find that the welcome is matched by the beauty of the countryside. The gentle, rolling scenery provides the perfect backdrop for relaxing moments and lots of outdoors activities. There are many trails to follow both on and off-road.

The cooking is rooted firmly in genuine local produce and ingredients, the quality guaranteed by the families who produce these specialities: cheese and salamis, mushrooms and white truffles mark the passing of the seasons and allow a wonderful range of tastes and aromas to make each meal quite unique. ## DESTINATION LIVORNO

### TUSCANY

Centrally located in Tuscany, close to all attractions, the ideal base for your holiday. Near the Italian Riviera, and from here you can sail to the islands of Corsica and Sardinia. In the 15th century, Livorno grew from being a small fishing village in the republic of Pisa into a thriving port city. The pure white beaches in the surroundings and the various tourist attractions, such as the cathedral, Sanctuary of Montenero, the many museums and the 'Venezia Nuova' district, where the numerous canals bring to mind the city of Venice, have turned the city into a popular destination.
